The 15th January 1959.

SUMMARY OF THE MINUTES OF THE PROCEEDINGS OF THE COMMISSIONERS' 16TH MEETING, HELD ON THE 24TH NOVEMBER 1958.

At the 16th Meeting of the Commissioners held on the 24th November 1958, the following business was transacted:—

1. **Administration Report and Annual Accounts for 1957-58.**—(a) **Financial Results.**—The total income for the year under review amounted to Rs. 12,75,80,916 and the total expenditure to Rs. 11,19,52,424. The year thus ended with a surplus of Rs. 1,56,28,492.

(b) **Traffic.**—The tonnage of cargo which passed through the Port during the year was 5,515,768 under imports and 4,640,579 under exports as against the corresponding import and export figures of 4,352,958 and 4,516,252, respectively, during the previous year.

(c) **Shipping.**—(i) The number of vessels which entered the Port during the year was 1,593 with an aggregate gross tonnage of 10,103,581 against 1,383 with an aggregate gross tonnage of 8,562,955 during the previous year. The deepest draft ship to enter the Port during the year drew 28′ 10″ for'd and 24′ 2″ aft.

(ii) In the Port Approaches, the Rangatalla channel controlled the draft of ships for 336 days as against 23 days during the previous year. The Eastern Gut controlled the draft of ships for 26 days as against 55 days during the previous year, Nman for 2 days and Royapur for 1 day as against 113 days and 31 days, respectively, during the previous year. The controlling bars were thus below Diamond Harbour for 336 days as against 23 days during the previous year and this was due to rapid deterioration during the year of the Balari/Rangafalla channels.

(d) **Hooghly Pilotage.**—The income from Pilotage during the year amounted to Rs. 37,22,734 and the expenditure to Rs. 37,87,401 showing a deficit of Rs. 64,667 in the "pro forma" account maintained separately under this head.

(e) **Port Development Scheme under the Second Five-Year Plan.**—(i) Owing to the marked changes in the pattern of traffic passing through the Port and the congestion that prevailed in the first half of the financial year, the provision made for the purchase of mechanical appliances in the original version of the Second Five-Year Plan had to be considerably increased to provide for additional equipment like mobile cranes, fork lifts, jitney motors, scammel horses, etc. With the visit of the International Bank for Reconstruction and Development Mission to this Port in October of the year, the prospects of obtaining aid for financing the foreign exchange component of the plan projects brightened and the financial difficulties which hitherto slowed down their execution were resolved. Accordingly the original version of the Second Five-Year Plan was revised to provide for certain additional projects. The scope and layout of some of the projects were also considerably enlarged to provide for additional facilities. As the result of these changes the total outlay on the Second Five Year Plan projects rose to Rs. 31.13 crores.

(ii) A delegation from the Ministry of Transport comprising the Transport Secretary, the Chairman and others left for Washington during the year to finalise the loan from the International Bank for Reconstruction and Development, Washington.

(iii) The expenditure incurred during the year on projects covered by the Second Five-Year Plan amounted to Rs. 2.23 crores.

2. **Setting up of a Body of Consultants to examine and report on the provision made by the Commissioners for depreciation of their Capital assets.**—The Commissioners approved the Chairman's proposal in the matter.

3. **Application for a loan of Rs. 2.25 crores from Government for financing Second Five-Year Plan projects during 1958-59.**—The Commissioners decided to apply to Government for the grant of a loan of Rs. 2.25 crores for financing certain projects covered by the Port Development Scheme.

4. **Amendment of the Provident Fund Rules.**—The Commissioners sanctioned, subject to the sanction of Government, certain amendments to the Provident Fund Rules.

5. **Accident to the M.V. "Saigon Maru".**—The Deputy Conservator's recommendation was approved.

6. **Block proposals.**—The Commissioners also sanctioned routine establishment proposals and routine proposals relating to execution of works, purchase of material, remission of charges, grant of leases, etc.

P. C. MITTER, Secretary.

Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the same form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Spontaneous recommendations from persons interested in the candidates or otherwise known to them will be disregarded.

(6) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a local or statutory body should submit an advance copy in the prescribed form. Spontaneous recommendations from persons interested in the candidates or otherwise known to them will be disregarded.

(6) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a local or statutory body should submit an advance copy in the prescribed form. The application fees should in such cases be attached to the advance copy and not to the original. Every such person is further advised to ensure compliance with this notice, since any failure without reasonable cause to furnish the return required by this notice, or failure without reasonable cause to furnish it within the time allowed or in the manner required will entail a penalty not exceeding one and a half times the tax payable.

Place of assessment: Under the provisions of section 64 of the said Act where an assessee carries on a business, profession or vocation at any place, he shall be assessed by the Income-tax Officer of the area in which that place is situate, or where the business, profession or vocation is carried on in more places than one, by the Income-tax Officer of the area in which the principal place of business, profession or vocation is situate, and in all other cases an assessee shall be assessed by the Income-tax Officer of the area in which he resides:

Provided that where an Income-tax Officer has been specially empowered to assess certain classes of income and certain persons or class of persons, the assessment of such persons and such income will be made by the Income-tax Officer so empowered.

Non-residents: (i) Those who are not assessed through statutory agents under section 43 and who have any income for direct assessment (i.e., income from house property, interest, etc.) will be assessed by the Income-tax Officer of the Circle in which the greater part of the assessable income arose in the assessment year 1939-40 or in the first year of assessment, whichever year is later, provided that the same officer shall have jurisdiction for subsequent years so long as some income for direct assessment (not necessarily the greater part) continue to arise within his jurisdiction.

(ii) Those who are assessed through statutory Agents under section 43 of the Indian Income-tax Act, 1922, whether their income arises in a single State or in more than one State will be assessed by the Income-tax Officer having jurisdiction over the area in which the statutory Agent carries on the business by reason of which income-tax is chargeable in his name under section 42 or where he resides, as the case may be.

Act No. XXXII of 1958

THE PUBLIC PREMISES (EVICTION OF UNAUTHORISED OCCUPANTS) ACT, 1958

[16*th* September, 1958.]

An Act to provide for the eviction of unauthorised occupants from public premises and for certain incidental matters.

BE it enacted by Parliament in the Ninth Year of the Republic of India as follows:—

Short title and extent.

1. (1) This Act may be called the Public Premises (Eviction of Unauthorised Occupants) Act, 1958.

(2) It extends to the whole of India.

Definitions.

2. In this Act, unless the context otherwise requires,—

(a) "estate officer" means an officer appointed as such by the Central Government under section 3;

(b) "public premises" means any premises belonging to, or taken on lease or requisitioned by, or on behalf of, the Central Government; and, in relation to the Union territory of Delhi, includes also—

(i) any premises belonging to the Municipal Corporation of Delhi or any municipal committee or notified area committee, and

(ii) any premises belonging to the Delhi Development Authority, whether such premises are in the possession of, or leased out by, the said Authority;

(c) "premises" means any land or any building or part of a building and includes,—

(i) the garden, grounds and out-houses, if any, appertaining to such building or part of a building, and

(ii) any fittings affixed to such building or part of a building for the more beneficial enjoyment thereof;

(d) "prescribed" means prescribed by rules made under this Act;

(e) "unauthorised occupation", in relation to any public premises, means the occupation by any person of the public premises without authority for such

occupation, and includes the continuance in occupation by any person of the public premises after the authority (whether by way of grant or any other mode of transfer) under which he was allowed to occupy the premises has expired or has been determined for any reason whatsoever.

Appointment of estate officers.

3. The Central Government may, by notification in the Official Gazette,—

(a) appoint such persons, being gazetted officers of Government, as it thinks fit to be estate officers for the purposes of this Act; and

(b) define the local limits within which, or the categories of public premises in respect of which, each estate officer shall exercise the powers conferred, and perform the duties imposed on estate officers by or under this Act.

Issue of notice to show cause against order of eviction.

4. (1) If the estate officer is of opinion that any persons are in unauthorised occupation of any public premises and that they should be evicted, the estate officer shall issue in the manner hereinafter provided a notice in writing calling upon all persons concerned to show cause why an order of eviction should not be made.

(2) The notice shall—

(a) specify the grounds on which the order of eviction is proposed to be made; and

(b) require all persons concerned, that is to say, all persons who are, or may be, in occupation of, or claim interest in, the public premises, to show cause, if any, against the proposed order on or before such date as is specified in the notice, being a date not earlier than ten days from the date of issue thereof.

(3) The estate officer shall cause the notice to be served by having it affixed on the outer door or some other conspicuous part of the public premises, and in such other manner as may be prescribed, whereupon the notice shall be deemed to have been duly given to all persons concerned.

(4) Where the estate officer knows or has reasons to believe that any persons are in occupation of the public premises, then, without prejudice to the provisions of sub-section (3), he shall cause a copy of the notice to be served on every such person by post or by delivering or tendering it to that person or in such other manner as may be prescribed.

Eviction of unauthorised occupants.

5. (1) If, after considering the cause, if any, shown by any person in pursuance of a notice under section 4 and any evidence he may produce in support of the same and after giving him a reasonable opportunity of being heard, the estate officer is satisfied that the public premises are in unauthorised occupation, the estate officer may, on a date to be fixed for the purpose, make an order of eviction, for

reasons to be recorded therein, directing that the public premises shall be vacated by all persons, who may be in occupation thereof or any part thereof, and cause a copy of the order to be affixed on the outer door or some other conspicuous part of the public premises.

(2) If any person refuses or fails to comply with the order of eviction within forty-five days of the date of its publication under sub-section (1), the estate officer or any other officer duly authorised by the estate officer in this behalf may evict that person from, and take possession of, the public premises and may, for that purpose, use such force as may be necessary:

Provided that in the case of any such person who is not a Government employee and who has been in continuous occupation of the public premises for a period exceeding three years immediately preceding the date of the publication of the order of eviction, the estate officer shall not, if an application is made to him in this behalf, evict such person from the public premises within ninety days of such publication.

Disposal of property left on public premises by unauthorised occupants.

6. (1) Where any persons have been evicted from any public premises under section 5, the estate officer may, after giving fourteen days' notice to the persons from whom possession of the public premises has been taken and after publishing the notice in at least one newspaper having circulation in the locality, remove or cause to be removed or dispose of by public auction any property remaining on such premises.

(2) Where any property is sold under sub-section (1), the sale proceeds shall, after deducting the expenses of the sale and the amount, if any, due to the Central Government on account of arrears of rent or damages be paid to such person or persons as may appear to the estate officer to be entitled to the same:

Provided that where the estate officer is unable to decide as to the person or persons to whom the balance of the amount is payable or as to the apportionment of the same, he may refer such dispute to the civil court of competent jurisdiction and the decision of the court thereon shall be final.

Power to recover rent or damages in respect of public premises as arrears of land revenue.

7. (1) Where any person is in arrears of rent payable in respect of any public premises, the estate officer may, by order, require that person to pay the same within such time and in such instalments as may be specified in the order.

(2) Where any person is, or has at any time been, in unauthorised occupation of any public premises, the estate officer may, having regard to such principles of assessment of damages as may be prescribed, assess the damages on account of the use and occupation of such premises and may, by order, require that person to pay the damages within such time and in such instalments as may be specified in the order:

Provided that no such order shall be made until after the issue of a notice in writing to the person calling upon him to show cause within such time as may be specified in the notice

why such order should not be made, and until his objections, if any, and any evidence he may produce in support of the same, have been considered by the estate officer.

(3) If any person refuses or fails to pay the arrears of rent or any instalment thereof payable under sub-section (1) or the damages or any instalment thereof payable under sub-section (2) within the time specified in the order relating thereto, the estate officer may issue a certificate for the amount due to the Collector who shall proceed to recover the same as an arrear of land revenue.

Power of estate officers.

8. An estate officer shall, for the purpose of holding any inquiry under this Act, have the same powers as are vested in a civil court under the Code of Civil Procedure, 1908, 5 of 19 when trying a suit, in respect of the following matters, namely :—

(a) summoning and enforcing the attendance of any person and examining him on oath;

(b) requiring the discovery and production of documents;

(c) any other matter which may be prescribed.

Appeals.

9. (1) An appeal shall lie from every order of the estate officer made in respect of any public premises under section 5 or section 7 to an appellate officer who shall be the district judge of the district in which the public premises are situate or such other judicial officer in that district of not less than ten years' standing as the district judge may designate in this behalf.

(2) An appeal under sub-section (1) shall be preferred—

(a) in the case of an appeal from an order under section 5, within thirty days from the date of publication of the order under sub-section (1) of that section; and

(b) in the case of an appeal from an order under section 7, within thirty days from the date on which the order is communicated to the appellant:

Provided that the appellate officer may entertain the appeal after the expiry of the said period of thirty days, if he is satisfied that the appellant was prevented by sufficient cause from filing the appeal in time.
